Technical drawing of the motor base showing side and front views with dimensions.

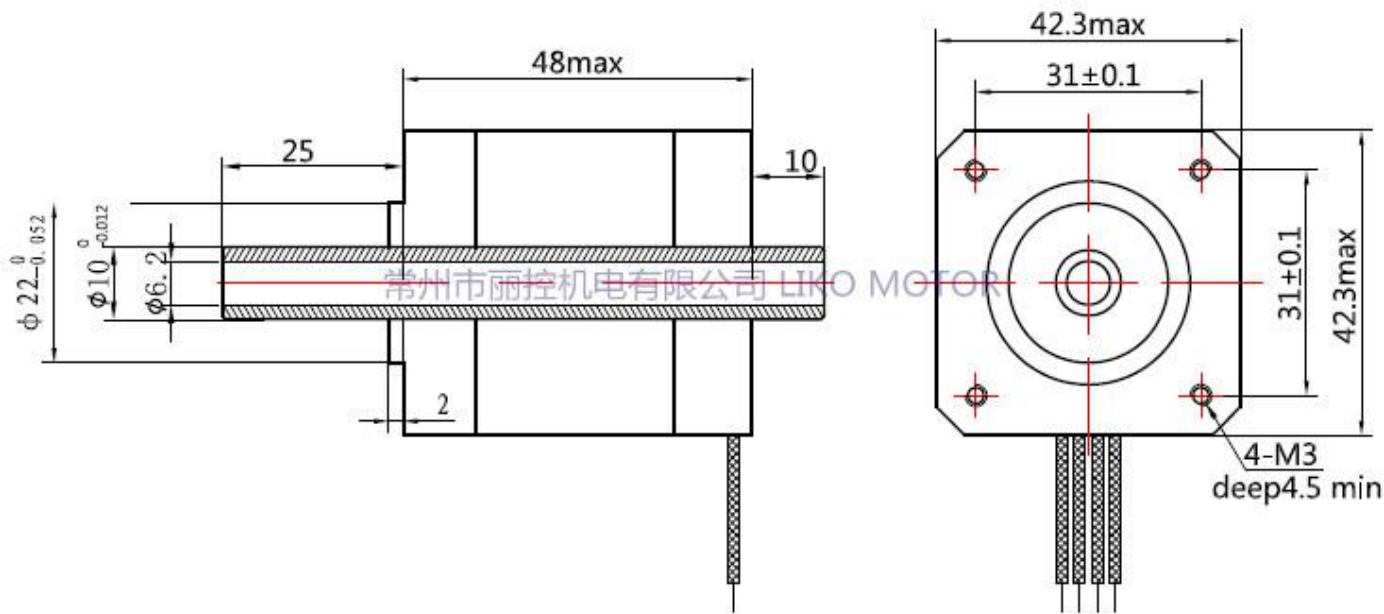

Side View Dimensions:

- Overall length: L
- Distance from mounting face to center of shaft: 12 ± 0.5
- Shaft diameter: $\phi 10_{-0.012}^0$
- Internal thread diameter: $\phi 6.2$
- Mounting face thickness: 2
- Base flange thickness: 11

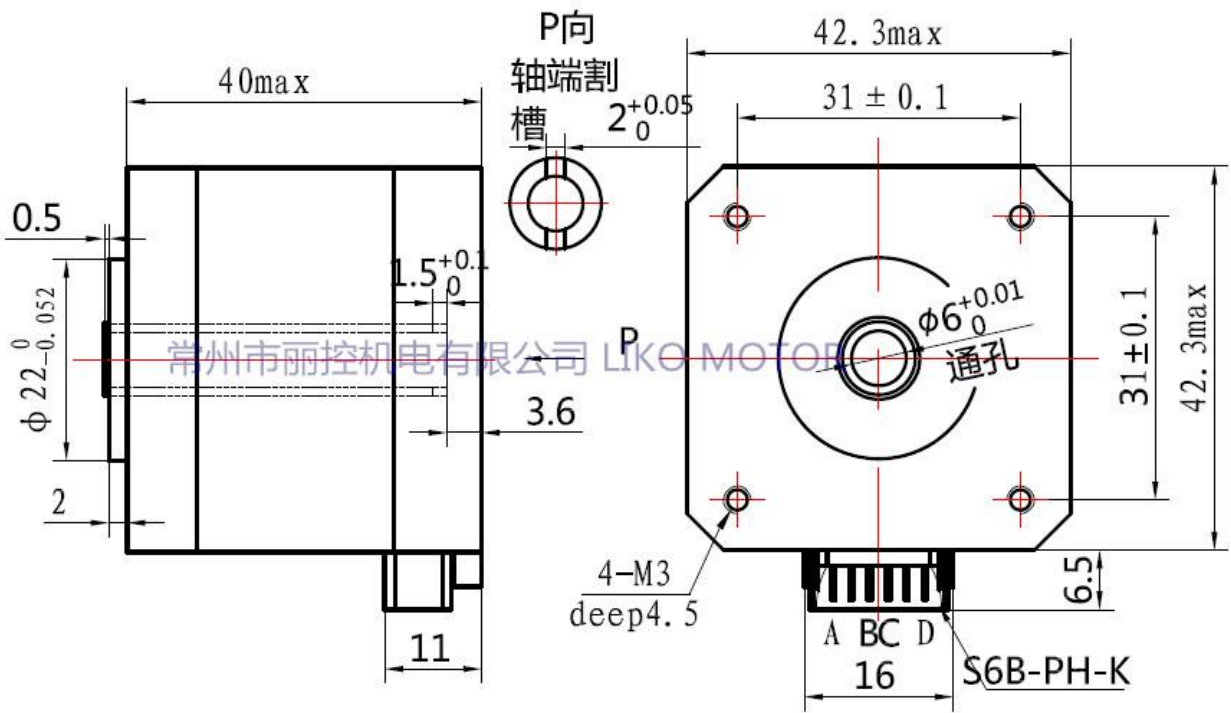

Front View Dimensions:

- Overall width: 42.3_{max}
- Distance between mounting holes: 31 ± 0.1
- Overall height: 42.3_{max}
- Distance between mounting holes (vertical): 31 ± 0.1
- Mounting hole diameter: $4-M3$
- Depth of mounting holes: $\text{deep } 4 \text{ min}$
- Base flange thickness: 6.5
- Base flange width: 16
- Base flange material: $S6B-PH-K$
